Gary and business

Gary Wilde is renowned for his ability to shatter the mould, get to the root of problems quickly and produce exceptional results through his unorthodox yet highly effective approach to business, leadership and personal challenges. His track record as a Corporate Turnaround Specialist and Behavioural Adaptation Strategist is testimony to his uncanny ability to deliver rapid and lasting results. Gary's extensive corporate experience and ongoing behavioural research has made him an expert in his field, but apart from his invaluable knowledge, clients thoroughly enjoy his energy, honesty and animated sense of humour.

Apart from his executive consulting and mentoring services, Gary is also an inspiring and fascinating guest & motivational speaker and is the creator of The Wealth-Apprentice™; a revolutionary way of thinking about wealth creation that is attracting growing interest from the market place.

“In my tenacious search for knowledge and illusive answers, I've stumbled upon many pearls of wisdom that have yet to infiltrate the domain of common knowledge... my quest is to bring this knowledge to as many people as will listen, as it will change the course of their lives and businesses in profound and inspiring ways!”

Gary at home

Gary is a doting father to his two teenage daughters who are the centre of his Universe. He's a singer and musician that plays the piano and guitar. Other passionate interests include; photography, graphic design, video production and fine art (pencil drawing). Gary has a Black Belt in Karate, enjoys the odd game of golf and has a fetish for solving puzzles and complex problems.
